

## Minutes, Meeting of March 11, 2015

In lieu of the regular meeting, LD 28 and LD 24 came together in celebration of PC's. The get together was held at Vincent's on Camelback. It was a fun event with over 80 PC's, past & present elected officials, and guests in attendance. LD 28 Chairman Vernon Parker and past Secretary of State Ken Bennett gave numerous awards to PC's. In addition to a certificate of appreciation, Ken Bennett gave each PC a commemorative Arizona copper coin from the Secretary of State's office. Scottsdale Mayor Jim Lane was on hand to deliver an inspirational speech to kick off the evening.

The board would like to extend a big thank you to Shiree Verdone and Patricia Hawkins for their hard work in putting together an evening of fun and camaraderie. Also a huge thank you to Vincent Guerihault for opening up his restaurant for the celebration.
