

TUESDAY, MARCH 20, 2018 LD28 MEETING MINUTES
LD28 MEETING AND PETITION PARTY

PCs in attendance:

6:00 – 8:00 PM –

We had a fantastic turnout of PCs from across LD 28 at Ladera Cucina this month. A special shout out to the owner, an LD 28 Republican, for donating the space to us for the evening. Chairman Kathy Petsas gave an update on petition gathering by precincts. We received updates from the State Party on the State Victory plan as well as updates on progress at the state legislature by LD 28 Senator Kate Brophy McGee and Representative Maria Syms. There was lots of mingling and guacamole eating – a successful night and touch point ahead of the election cycle.

Thank you to all of the Precinct captains and PCs who were able to join us!
